SELECTION AND ENROLMENT

Victorian Institute of Education accepts applications from all students who meet the entry requirements published in the course information. Applications are accepted on a first come first served basis but if a course is full, you will be offered a place in the course starting at a later date.

To apply to enrol in a course, you must complete an Enrolment Form for International Students, which is available through our website, office reception, or your agent. If you are applying for a course that has entry requirements, you will also need to provide the necessary evidence such as verified copies of qualifications, identification including your passport, schooling, and evidence of English Language level (within the last 2 years) such as IELTS or TOEFL.

If you are applying for Credit, you should indicate this on your enrolment and supply certified copies of your transcripts so we can assess your application for Credit (refer to the section in this Handbook about Credits).

Once you have completed your enrolment form and gathered all the necessary evidence, send it to admissions@vie.edu.au. You will be contacted to inform you of the status of your enrolment and confirm your details.

If we require any further details from you, you may be required to attend an interview. Details of the interview will be provided at this stage.

Upon approval of your enrolment, you will be sent further information about the next steps, payment arrangements and how you can get started with your course.

EDUCATION AGENTS

Victorian Institute of Education uses education agents to assist us in recruiting students. We have agreements with all our Education Agents that ensure they act in an ethical and honest manner, in the best interests of our key target group, and the reputation of the Australian international education sector is upheld.

A list of the education agents with whom we have an agreement is included on our website at: www.vie.edu.au.

UNIQUE STUDENT IDENTIFIER (USI)

Unique Student Identifier (USI)

A Unique Student Identifier (USI) is a reference number consisting of numbers and letters that creates a lifetime record of all nationally recognised training that has been completed by an individual. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enroll in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must either:

Phone: 1300 871 776 | E-mail: info@vie.edu.au Student Handbook

Version: 3.4 Last Updated: 20TH MARCH 2023

- Provide us with your USI, or
- Provide us with permission to access or create your USI on your behalf.

If you are providing us with permission to access or create your USI, we will need a valid form of identification. The ID that you provide for this purpose will be destroyed once we have used it for this purpose.

If you would like to create your own USI, please visit:

<http://www.usi.gov.au/Students/Pages/default.aspx>.

We are unable to issue a qualification or a statement of attainment unless we have a valid USI or a notice of exemption from the registrar.

For information about exemptions for individuals please review this webpage:

<https://www.usi.gov.au/training-organisations/training-organisation-requirements/exemptions-individuals/how-apply>.

CREDITS

A Credit is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules you are required to complete in the course you are enrolled in with us.

Victorian Institute of Education can grant you Credit towards your course for units of competency or modules that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit/module in your course, and the subject or unit you have completed.

There is no charge to apply for Credit.

To apply, fill in the Credit Application Form and submit it as part of your enrolment. You can apply for Credit at any time however it is best you do this as part of your enrolment so that the Credit(s) are known upfront, and you are not required to do any additional work.

Make sure you attach certified copies of transcripts from your previous study. In some cases, we may ask for additional information about the subject or unit you previously studied so we can determine equivalence. Your Credit Application may be returned to you if you don't provide the required information.

In some cases, Credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing.

You will be advised in writing of the outcome of your Credit Application.

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

Victorian Institute of Education has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment, but you may also apply up to 2 weeks into your course.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a kit that will guide you in working through each unit to determine relevant skills and experience and identify whether you will be able to provide the required evidence.

Our academic team will be available to assist you throughout this process.

To apply for RPL, you will need to fill in a part of the kit and return it with an RPL Application Form. Your application will then be assessed for suitability, and you will be contacted by an assessor to progress the RPL process.

From here, the RPL process usually involves gathering evidence to demonstrate skills, knowledge, and experience, responding to questions, completing tasks, and depending on the area, observing your work skills in your workplace.

Fees are applicable for RPL, and you will be advised of these fees upon contacting us. For more information about applying for RPL, contact our head office.

REDUCTION OF COURSE DURATION DUE TO CREDIT OR RPL

If Credit or RPL is granted after the acceptance of a place in a course or on commencement of studies and will affect the duration of studies, Victorian Institute of Education will provide you with a new Confirmation of Enrolment Letter (CoE) including the new duration.

VISAS

Once you receive your electronic Confirmation of Enrolment, you will need to apply for your visa. Information about applying for a visa can be found at: <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-finder/study>.

This document explains the process for application, evidence that you must provide (including a valid passport), student visa conditions, permission to work, Overseas Student Health Cover and charges associated with the visa application. You may wish to use a registered migration agent (<https://www.mara.gov.au>) to assist you with the process of applying for a course and visa upon arrival at Victorian Institute of Education. Contact us or visit our website for details of the education agents that we use.

Ensure that you allow enough time between lodging your application and the start of your course, as applying for a visa can be a lengthy process.

If your visa is not approved, you will receive a refund for the fees that you have paid as per our fees and refund policy.

VISA CONDITIONS

If you are granted a visa, you must abide by its conditions. Failure to comply with these conditions may result in the cancellation of your visa. See more information at the following link: <https://www.homeaffairs.gov.au/trav/stud>

Conditions include (but are not limited to):

- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your chosen course of study

- Notify your training provider of your Australian address and any subsequent changes of address within 7 days

ARRANGING TRAVEL AND DOCUMENTS TO BRING

Costs of travelling to Australia are not included in your course fees and you will need to arrange and pay for your travel to Australia. For Sydney campuses students, you should plan to arrive in Sydney at least 2 weeks before your course orientation to give you time settle in. Same goes for Adelaide campus students.

The nearest International Airport is Sydney International Airport for Sydney and Adelaide international Airport for Adelaide.

You will need to prepare a folder of official documents to bring with you to Australia including:

- Valid passport, including a valid student visa
- Confirmation of Enrolment (CoE)
- Insurance policies
- Original or certified copies of documents such as your birth certificate, medical records and educational qualifications as advised by Victorian Institute of Education at the time of you confirmation of enrolment.

If you are travelling with your family, you will need to include their documents as well. Keep all documents in your carry-on luggage. In case you lose the originals, make copies that can be left behind with family and sent to you upon request.

ENTRY INTO AUSTRALIA

When you arrive in Australia, you will need to show your passport and incoming passenger card at a Customs and Immigration checkpoint. You may be asked questions about your stay before your passport is stamped and handed back.

Once you have passed through the Immigration checkpoint, you should collect your bags, ensuring that nothing is missing or damaged. If something is missing or you notice damage, go to the baggage counter, and advise them of your problem. Staff at the baggage counter will help you to find missing baggage or lodge a claim for damage to your belongings.

Once you have your luggage, you will go through customs where your luggage may be checked. Australia has strict quarantine laws to stop people from bringing in certain food and plant items. You should declare any items that you are bringing in on the form given to you on the plane. If customs officers decide that the item you are bringing in are not safe, they will be confiscated and destroyed. If you fail to declare or dispose of any quarantine items, or make a false declaration, you may receive a fine or be prosecuted. All international mail is also screened and checked by customs.

ARRIVING IN AUSTRALIA

Getting from Airport to your Accommodation

This section includes information about getting from the airport to accommodation (e.g., public transport options, taxi or any airport pick up arrangement).

Train

Airport Link is a convenient way to reach the centre of Sydney. Trains run approximately every 10 minutes and the journey to the city takes only 13 minutes. You need an Opal Card to travel via Sydney's train, bus, and ferry system. You can get an Adult or Child/Youth Opal Card from the Airport Train Station, Relay and WH Smith. Train Ticket fares and other details are available at <https://www.opal.com.au>.

More details are available on:

<https://www.sydneyairport.com.au/airport-guide/arriving/international/transport-options-international#train-transport-options-parking-and-transport>.

If you are arriving in Adelaide, you can travel to our Adelaide Campus either by taxi, bus or tube. It is about 20 minutes travel distance in off peak traffic hours. You may ask the airport staff at information desk if you need further information or help.

Taxi

Each terminal has its own sheltered taxi rank with supervisors on hand during peak times to ensure a smooth flow of taxis for travellers.

Taxi Rank Locations, Taxi Fares and a few Taxi companies are available on:

<https://www.sydneyairport.com.au/airport-guide/arriving/international/transport-options-international#taxi-andrideshare-transport%20options-international-parking-and-transport>

The Sydney CBD is a short 20-minute ride away. The Adelaide CBD is a short 20-minute ride away.

For Adelaide by taxi, you may refer to the link below:

<https://www.adelaideairport.com.au/parking-transport/transport-options/taxis/>

Keeping in contact

Before you leave home, you should provide your family and friends, and your education provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them.) Once you have arrived in Australia, you should then let your family and friends know that you have arrived safely. For safety reasons, always let someone know where you are.

Arranging your Finances

The currency of Australia is the Australian Dollar. Ideally, you should change your money to Australian dollars before you arrive but if you haven't you will need to change some as soon as you arrive – you will usually be able to do this at the airport.

Once you have arrived in Sydney or Adelaide, you can also convert money into Australian dollars at any bank or currency exchange. Note, however, that banks are not open on the weekend and while airport currency exchanges are generally open, the rate is usually not as good as with a bank.

You should not carry large sums of money with you, and it is best to only have the money you will need for the first few days and then arrange to have the rest of the funds transferred to you in Australia.

The amount you will need to bring with you will depend on whether you have already paid for your accommodation before you arrive. Think about how much money you will need to last you for a couple of weeks.

Find out more about money matters by visiting: <https://www.studyaustralia.gov.au/>

Accommodation

It is best book temporary accommodation before you arrive and look for long-term accommodation once you get to Australia. Temporary accommodation could be a hotel or hostel. Temporary accommodation can be found through:

<http://www.hostels.com/hostels/sydney/sydney-student-living/73573>, and

<https://www.yha.com.au/hostels/nsw/sydney-surrounds/sydney-central-backpackers-hostel/>

You can also stay with a family in their home. For more information, visit:

- Australian Homestay Network
- Oz Homestay
- Aussie Families Homestay Care,
- Homestay Network
- Meridian Homestay Services
- Global Experience

There is a range of long-term accommodation options for international students.

Private Rental

A private rental is where you sign a lease for a whole apartment or house. The lease will include the rent payable, the bond (a refundable amount once you leave the rental), the length and type of tenancy, and other conditions and rules.

Share House

A share house is when you share a private rental with friends or housemates. All tenants are listed on the lease and pay their own share of rent and bond.

Boarding or Homestay

Boarding or homestay is when you rent a room in a home and live with the homeowners. This is a private agreement between you and the homeowner.

It is important to remember that as an International Student, you have the same renting rights as residents. For more information about renting and tenant rights, visit the 'Renting' subheading on:

<https://www.fairtrading.nsw.gov.au/help-centre/youth-and-seniors/youth/international-students>

BRINGING YOUR FAMILY WITH YOU

If you intend to bring your family with you, they will also need to have a visa and be covered by health insurance. Family members include your partner (married or de facto) and your children under 18 years of age. You will need to provide proof of your family relationships with official documents including birth certificates and marriage certificates.

For more details, visit

<https://immi.homeaffairs.gov.au/visas/bringing-someone/bringing-partner-or-family>.

Where you have dependent children that need to attend childcare or school, you should be aware of that the typical childcare costs in Sydney are:

- Centre-based childcare: \$11.75 per hour
- Family day care: \$10.39 per hour
- Nannies: \$25–\$35 per hour (+agency fee)
- Au pairs (living in your home): \$250–\$350 per week (+agency fee)

Find out more at:

- <https://www.studyaustralia.gov.au/english/live/living-costs>, and
- <https://www.careforkids.com.au>

For school children, current costs are approximately AUD\$7800 to AUD\$30000, where costs vary depending on the school year and school type.

To find out more about application processes and costs, go to:

<https://www.deinternational.nsw.edu.au/study-options/fees>.

You should also be aware that the above costs for childcare and schooling are in addition to living costs as outlined in the section on living costs.

HEALTH

Emergencies

For emergencies such as the fire, ambulance, or police, dial 000. When you dial 000, you will be asked whether you want the fire, ambulance, or police and why you want this assistance. You will also be asked for your name and address and telephone number.

Australian Police protect people and properties, detect and prevent crime, and preserve peace for everyone. They are not connected to the military or politics. The police can help you feel safe.

Fire

The fire department extinguishes fires, rescues people from fires in cars and buildings, and assist in situations where gas or chemicals become a danger. As soon as a fire starts, call 000 no matter how small or large the fire may be.

Ambulance

Ambulances provide immediate medical attention in an emergency and emergency transportation to hospital. To access an ambulance, call 000.

Medical Assistance

Emergency medical treatment is available 24 hours a day at the emergency or casualty department of a public hospital, and at some medical centres. Public and private hospitals are listed in the White Pages telephone directory under 'Hospitals' and you can also find them by searching on the internet. If you need to go to hospital, remember to bring your health insurance card and any medications you are currently taking. For anything other than an emergency, seek medical help from a general practitioner (GP) or local medical centre.

Overseas Student Health Cover

Australia has a special system of health cover for international students called Overseas Student Health Cover (OSHC). You will need to buy an OSHC before you come to Australia to cover you from the date you arrive. The Department of Home Affairs (DHA) requires you to maintain your OSHC for the duration you are on a student visa in Australia.

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover to help you decide which provider is right for you:

- Australian Health Management OSHC www.ahmoshc.com
- BUPA Australia www.overseasstudenthealth.com
- Medibank Private www.medibank.com.au/Client/StaticPages/OSHCHome.aspx
- Allianz Care Australia <https://www.allianzcare.com.au/en.html>
- NIB OSHC www.nib.com.au/home/newtonib/overseasstudents

Your OSHC will help you pay for any medical or hospital care you may need while you're studying in Australia and contribute towards the cost of most prescription medicines. It will also contribute to the cost of an ambulance in an emergency.

For more information on what your OSHC insurance covers, as well as what to do if you need treatment, refer to the Department of Health.

<https://www.health.gov.au/resources/collections/overseas-student-health-cover-oshc-resources>

OSHC does not cover dental, optical or physiotherapy. If you want to be covered for these treatments you will need to buy additional private health insurance, such as:

- Extra OSHC provided by some OSHC providers
- International travel insurance, or
- General treatment cover with any Australian private health insurer. You can find a list of these providers and

search for the one that suits you best at:

- www.privatehealth.gov.au, and/or
- www.iselect.com.au

LIVING COSTS IN AUSTRALIA

Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. This helps ensure students are better able to make the most of their studies and have a safe and enjoyable experience in Australia.

While international students can supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps support the success of students in their studies by ensuring that they don't have to rely on such work to meet all their expenses.

Students must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

The following website includes information about average living costs in Australia:

<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>.

Carefully review the information at the website link noting that the figures provided are average only and that costs can vary significantly depending on where you live in Australia. You should be prepared especially as your living costs can be greater than the indicated figures.

BUDGETING

Once you have settled in, you should ideally work out a budget that covers costs including clothing, food, accommodation, transport and entertainment, travel costs and childcare, if applicable.

Costs associated with living in Australia are included at:

<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>.

It is important to be aware of how much money you spend and where you are spending it. Sticking to a budget will ensure you are on top of where your money goes.

Read more about budgeting at www.understandingmoney.gov.au

WORKING IN AUSTRALIA

Most student visa holder can work up to 40 hours a fortnight during term time and unlimited hours during holidays. Before you undertake any paid work, you need to make sure your visa allows for you to work. Find out more on:

<https://www.homeaffairs.gov.au/trav/stud>.

You should also visit the following website to find out more about working in Australia, including your employment rights and conditions:

<https://www.studyinaustralia.gov.au/english/live-in-australia/working>.

If you require any further information about your workplace rights and obligations, for example, resolving a workplace dispute, visit the Fair Work Ombudsman site at www.fairwork.gov.au.

YOUR SAFETY

Australia is a safe country; however, it is always best to take precautions. Read the information on the following website about personal safety tips:

<https://www.studyinaustralia.gov.au/english/live-in-australia/health-and-safety/personal>

You should also review the section in this Handbook about health and safety and remember to listen carefully to all the information provided to you at your orientation.

If an incident occurs that has a significant impact on your well-being, please speak to us immediately at the contact numbers provided. Note an incident is not limited to being physical, and can also include psychological, emotional and social.

SHOPPING

All Australian major town centres and capital cities have shopping facilities with opening hours generally 9.00am to 5.30pm seven days a week, with late night shopping until 9.00pm on Thursdays. Some supermarkets are open 24 hours a day, seven days a week.

Mainstream grocery stores in Australia include Coles, Woolworths, Foodworks, IGA, and Aldi. Major department stores in Australia include Myer and David Jones, Big W, Kmart, and Target.

CLOTHING

While there are no set rules on clothing in Australia, many workplaces, restaurants, clubs, and bars have a dress code. Australian people generally dress in modern clothing influenced by personal taste, status, place of work, lifestyle, and location.

The cost of clothing in Australia can vary. There are several quality variety stores such as K-Mart and Big W where you can find low-cost clothing and shoes of all varieties. Department and specialty stores such as Myer and David Jones carry more expensive higher end clothing labels.

COURSE EXPECTATIONS AND REQUIREMENTS

The training and assessment offered by Victorian Institute of Education focuses on providing you with knowledge and skills required to the standard of performance required in the workplace. This is known as competency-based training and assessment. Each of the components of your course is a “unit of competency”. Each unit of competency is linked to specific skills and knowledge required in the workplace.

Our course outlines include the details of how we deliver the training to you as well as the assessment methods that will be used to assess whether you have reached the required standard of performance.

Assessment methods vary from course to course but usually include written questions, projects, written assignments, and practical observations.

ATTENDANCE AND ASSESSMENT REQUIREMENTS

It is an expectation that you attend every class to not fall behind. Please notify your trainer at least 30 minutes prior to class if you are unable to attend for some reason.

There will also be an expectation that you complete a certain amount of assessment each week to complement your learning as required for the successful completion of your course. Your trainer will guide you on what to do during this time and how much is expected. This is also outlined on the course information.

ASSESSMENT ARRANGEMENTS

At the beginning of each unit your assessor will go through the arrangements of assessments, and you will be given details about the assessment requirements.

At this time, you will be:

- Provided with detailed assessment instructions for each task/requirement, which includes the criteria that you'll be assessed against
- Informed of relevant due dates or timing of assessments to be conducted

Your assessor will go through all the arrangements with you, and you are welcome to ask them any questions you have.

Submitting your Assessments

You must submit written assessment tasks with a completed and signed Assessment Task Cover Sheet through VIE's learning management system. The system requires you to make a declaration that the work is your own. If the assessment is undertaken and submitted within the LMS electronically, you are still required to make a declaration confirming the work submitted is your own.

You must keep a copy of all tasks that you submit, as we are not able to return copies because we must keep them as evidence in your file.

Written work will be marked by the assessor within 30 days of receipt. Your assessor will provide you with feedback and confirm the outcome of the task through the learning management system.

Assessments Outcomes

Each assessment task will be given an outcome of either Satisfactory (S) or Not Satisfactory (NS). Students must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (C) for the unit. If one or more of the tasks are assessed as Not Satisfactory, they will be given an outcome for the unit of Competency Not Achieved (CNA). The student can have a total of 2 attempts to complete each task and achieve a 'Satisfactory' outcome (noting that the second attempt is chargeable as per the fees and refunds policy). The student will be advised of the timeframe for resubmission (usually within 2 weeks) and advised what they must include in their re-submission (usually the whole task again).

If, after the second attempt, the student is still assessed as Not Satisfactory for a task, they will need to reenrol in the unit.

Reasonable Adjustment in Assessment

Some students may need modifications to assessments due to disability, illness, or special considerations – this is known as reasonable adjustment.

Reasonable adjustment can involve:

- Making training and assessment resources and methods more accessible (e.g., providing learner workbooks in an audio format or on different coloured paper)
- Adapting physical facilities, environment and/or equipment (e.g., setting up hearing loops)
- Making changes to the assessment arrangements (e.g., allowing more time for assessments)
- Making changes to the way evidence for assessment is gathered (e.g., asking written questions orally)

Please speak to your assessor if you think that you may need an adjustment made. Note these adjustments are made at the discretion of your assessor based on your identified needs.

Appealing Assessment Decisions

If you do not agree with any assessment decision, you can lodge an assessment appeal. Please refer to the Complaints and Appeals section in this handbook for information on how to lodge an appeal.

STUDENT PLAGIARISM, CHEATING AND COLLUSION

Victorian Institute of Education has a no tolerance policy for plagiarism, cheating and collusion. Students are expected to act with integrity at all times and only submit work that is their own, has been appropriately referenced, and includes acknowledgements of all resource materials used in the preparing the work.

When you submit your assessments, you will be required to sign a declaration that the work provided is your own and that you have not cheated, plagiarised, or colluded with any other student/s.

If you are found to have plagiarised, cheated, or colluded, you will be given an opportunity to respond to the allegation. Following this, if it is determined that you have plagiarised, cheated, or colluded, we will be required to take disciplinary action which is likely to require you to complete the assessment again.

MAINTAINING YOUR ENROLMENT AND COURSE PROGRESS

You must meet course progress requirements to satisfy the conditions of your visa. These course progress requirements will be clearly explained to you during the orientation program.

Victorian Institute of Education will assist you to meet course progress requirements by monitoring your progress and providing you with the relevant support at an early stage. Victorian Institute of Education uses a range of methods to monitor course progress, including review of participation in tuition activities and assessment tasks. Where we consider you are at risk not meeting course progress requirements, we will issue you with a first warning letter inviting you attend a meeting to discuss why you are not meeting course progress requirements and support that you required. We can provide you with a range of support from extra time to complete tasks or a reduced study load to study skills programs to meet course progress requirements. Agreed support will be documented in an Intervention Plan that both you and the Academic Support staff will sign.

Phone: 1300 871 776 | E-mail: info@vie.edu.au Student Handbook

Version: 3.4 Last Updated: 20TH MARCH 2023

Following the provision of this support, if your progress is still unsatisfactory, you will be sent a second warning letter. Again, this invites you to a meeting to discuss why you are still not meeting satisfactory course progress requirements and to discuss new or revised support arrangements.

Where you continue to not meet course progress requirements, you will be reported to DHA. DHA will make the final decision on whether your visa will be cancelled because of your unsatisfactory course progress.

You may appeal Victorian Institute of Education's decision to report you to the DHA. However, an appeal will only be considered if Victorian Institute of Education has not recorded or calculated the student's marks correctly, has not provided appropriate support as set out in this policy, has not implemented other policies such as assessment and feedback which could impact the student's results, or there are compassionate or compelling reasons which have contributed to the unsatisfactory progress. Circumstances that are compassionate or compelling circumstances include (but are not limited to):

- Serious illness or injury, where a medical certificate states that the student was unable to attend classes
- Bereavement of close family members, such as parents or grandparents
- Major political upheaval or natural disaster in the home country requiring emergency travel, which has impacted on the student's studies
- A traumatic experience which has impacted the student, which includes but is not limited to involvement in or witnessing a serious accident and witnessing or being the victim of a serious crime (these cases should be supported by police or psychologists' reports); or
- Where Victorian Institute of Education is unable to offer a pre-requisite unit
- Where the student is unable to begin studying on the course commencement date due to delay in receiving a student visa

Where your study load is reduced due to difficulties with meeting course progress requirements, you may need to do additional subjects in future sessions to complete your course in the time specified in your student visa.

ATTENDANCE

As well as meeting course progress requirements, you must also meet attendance requirements as part of your visa conditions. It is expected that you will attend all classes; however, we understand that in some cases you may not be able to get to a class because of your personal circumstances such as illness or family matters. To maintain satisfactory attendance, you must attend at least 80% of your classes.

Where you are at risk of not meeting attendance requirements, we will communicate with you to remind you of your attendance obligation. In response, you are expected to respond, attend the college and contact student support if you have any issue or concern that may prevent you from attending your classes. You will get support from Student Services if you contact the college with your concern, difficulty or problem. The example of support may be, discussing your issue or concern, directing you to the right support services, and being available to hear your concern and address them. If you do not respond to our reminders, we may commence the process of warning you for unsatisfactory attendance. Once the process for warning you for unsatisfactory attendance commences and you do not respond or continue to fail the attendance requirements, we will be required to report you to Department of Home Affairs (DHA). DHA will make the final decision on whether your visa will be cancelled because of your unsatisfactory attendance.

In some cases, you may not be reported if attendance falls below 80%. Your attendance will not be reported if it is at least 70% and you are maintaining satisfactory academic performance.

You may also not be reported in the case of compassionate or compelling circumstance i.e. those beyond your control and which have an impact on your course progress or wellbeing (see course progress requirements for details of compassionate and compelling circumstances).

COURSE TRANSFER

All decisions made by Victorian Institute of Education regarding student transfer requests will be made in accordance with this policy and procedure, be fair and consider the student's individual circumstances and any other relevant factors.

1. Transferring from Another Registered Provider

- Victorian Institute of Education will not knowingly enrol a student wishing to transfer from another registered provider's course prior to the overseas student completing six months of his or her principal course unless one or more of the following conditions apply:
 - The releasing registered provider or the course in which the student is enrolled has ceased to be registered
 - The releasing registered provider has had a sanction imposed on its registration by the ESOS agency that prevents the student from continuing his or her principal course at that registered provider
 - The releasing registered provider has agreed to the overseas student's release and recorded the date of effect and reason for release in PRISMS, or
 - Any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

2. Transferring to Another Registered Provider

- For Victorian Institute of Education students seeking to transfer to another registered provider's course of study prior to completing six months of their principal course, the transfer request will be assessed and granted in any of the following circumstances:
 - The student will be reported because they are unable to achieve satisfactory course progress at the level they are studying, even after engaging with Victorian Institute of Education's intervention strategy to assist the student in accordance with Standard 8 (Overseas Student Visa Requirements).
 - There is evidence of compassionate or compelling circumstances.
 - Victorian Institute of Education fails to deliver the course as outlined in the student agreement.
 - There is evidence that the student's reasonable expectations about their current course are not being met.
 - There is evidence that the student was misled by Victorian Institute of Education or an education or migration agent regarding Victorian Institute of Education; or the course is unsuitable for their needs and/or study objectives.
 - An appeal (internal or external) on another matter results in a decision or recommendation to release the student.
- A transfer to another course will not be granted where:
 - The transfer may jeopardise the student's progression through a package of courses.

- The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student. In this case, the student will be requested to wait a further 4 weeks before applying for a transfer to another registered provider during which time the full range of support services will be provided to the student.
 - The student is trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements.
 - There are no legitimate compassionate or compelling circumstances.
- For a request of transfer to be considered and a letter of release provided, students must provide a valid offer of enrolment from another registered provider.
 - The outcome of the student's application for course transfer will be provided in writing within 10 working days of receipt of application.
 - Where a student's application is refused, the reasons for this and the right to access the complaints and appeals process as outlined below will be communicated.
 - There is no cost in releasing students. However, where a student transfers to another registered provider, any refund of course fees, where applicable, paid will be in accordance with Victorian Institute of Education's Fees and Refunds Policy and Procedures.

3. Transferring to Another Course Offered by Victorian Institute of Education

- Students may transfer to another course offered by Victorian Institute of Education in the following circumstances:
 - It is considered that the course the student wishes to transfer to:
 - better meets the study capabilities of the student; and/or
 - better meets the long-term goals of the student, whether these relate to future work, education, ~~ssssssssssss~~ or personal aspirations; and/or
 - The student claims or can provide evidence that his or her reasonable expectations about the current ~~ssssss~~ course are not being met.
- A transfer to another course within Victorian Institute of Education will not be granted where:
 - The transfer may jeopardise the student's progression through a package of courses.
 - The student has recently started studying the course and the full range of support services are yet to be ~~ssssss~~ provided or offered to the student.
 - The student is trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements.
- For a request of transfer to be considered, students must complete an Internal Course Transfer Application Form.
- The outcome of the student's application for course transfer will be provided in writing within 10 working days of receipt of application.
- Cost involved in transferring to another course plus any refund of course fees paid for the student's current course will be in accordance with Victorian Institute of Education's Fees and Refunds Policy and Procedure.
- All students who are either considering a course transfer, or have had their transfer request approved, will be advised that they must contact DHA to seek advice on whether a new visa is required. To find out more about visa requirements, students will be advised to contact DHA on 131881 or visit the following website: <https://www.homeaffairs.gov.au/trav/stud>.

- Where the decision is made to refuse a course transfer or Victorian Institute of Education does not respond to the request in the timeframe set out in this Policy, the student may appeal against the decision by accessing Victorian Institute of Education's Complaints and Appeals process within 20 working days. If the appeal finds in favour of a student wishing to transfer, a letter of release will be granted.
- The cancellation status will not be finalised in PRISMS until the complaints and appeals process is finalised within the 20 working day period or the student withdraws from the course.
- All records relating to course transfers will be kept for two years after the student ceases to be an enrolled student. This includes requests for release, the assessment of the request and the decision.

DEFERRAL, SUSPENSION AND CANCELLATION

1. Deferral and Suspension of Studies

- Requests from students for deferral and suspension of studies will only be granted in compassionate or compelling circumstances which are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:
 - Serious illness or injury, where a medical certificate states that the student was unable to attend classes
 - Bereavement of close family members such as parents or grandparents (where possible, a death certificate should be provided)
 - Major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies
 - A traumatic experience that has impacted on the student which could include involvement in/witnessing of a serious accident or witnessing/being the victim of a serious crime. Such cases supported by police or psychologists' reports
 - Where Victorian Institute of Education is unable to offer a pre-requisite unit
 - Inability to begin studying on the course commencement date due to delay in receiving a student visa

These circumstances are an example of what may be considered compassionate or compelling circumstances; however, each case will be assessed on its individual merits.

- When determining whether compassionate or compelling circumstances exist, Victorian Institute of Education considers documentary evidence provided to support the claim, and stores copies of these documents in the student's file.
- A retrospective deferment or suspension may be justified if the student was unable to contact Victorian Institute of Education because of a circumstance such as being involved in a car accident.
- Where a student-initiated deferral or suspension of enrolment is granted, Victorian Institute of Education will suspend an enrolment for an agreed period - to a maximum of 12 months. If the deferral is required for longer than 12 months, the student's application will be re-assessed. If the suspension period has expired and the student does not return, the student's enrolment will be cancelled.

2. Provider Initiated Suspension or Cancellation

- Victorian Institute of Education may suspend or cancel a student's enrolment including, but not limited to:
 - Misbehaviour by the student (including plagiarism, collusion, and cheating)
 - Failure to pay an amount the student was required to pay the registered provider to undertake or continue the course as stated in the written agreement
 - A breach of course progress or attendance requirements by the overseas student, which will occur in accordance with Standard 8 (Overseas Student Visa Requirements) and as specified in Victorian Institute of Education's Course Progress Policy and Procedures
- Standards of behaviour required are outlined in the International Student Handbook.
- Where Victorian Institute of Education suspends or cancels a student's enrolment, before imposing a suspension or cancellation, Victorian Institute of Education will inform the student in writing of that intention and the reasons for doing so and advise the student of their right to appeal through the provider's internal complaints and appeals process, in accordance with Standard 10 (Complaints and Appeals), within 20 working days.
- Under no circumstances will the suspension or cancellation of the overseas student's enrolment under Standard 9.3 take effect until the internal appeals process is completed, unless the overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

3. Student Initiated Cancellation of Studies

- Students may initiate cancellation of their studies at any time during their course.
- Students who wish to withdraw within six months of their course to transfer to another provider will be processed as per Victorian Institute of Education's Course Transfer Policy and Procedure.

4. Visa Status

- When there is any deferral, suspension or cancellation action taken under this standard, Victorian Institute of Education will inform the student of the need to seek advice from DHA on the potential impact on their student visa, as well as the report the change to the overseas student's enrolment under Section 19 of the ESOS Act (that is, notification via PRISMS).
- Students are referred to the DHA website at <https://www.homeaffairs.gov.au/> or Immigration Helpline (131 881) for information and their local DHA office for advice on how the potential change to enrolment status may impact upon his or her visa.
- Once the DET has been notified of a suspension or cancellation of a student's enrolment, the student has 28 days in which to leave Australia or show the DHA a new CoE or provide DHA with evidence that he or she has accessed an external appeals process.
- Regardless of whether the suspension of enrolment is the result of a student request for suspension or a suspension imposed by Victorian Institute of Education, the period of suspension of enrolment (as entered in PRISMS) will not be included in attendance monitoring calculations.
- Where Victorian Institute of Education initiates the suspension or cancellation of a student's enrolment, the student will be notified of this intention and will be informed that they have 20 working days to access Victorian Institute of Education's Complaints and Appeals Policy and Procedure, unless extenuating circumstances relating to the welfare of the student apply. Such circumstances may include where the student refuses to maintain approved care arrangements (only for students under 18 years of age), is missing; has medical concerns, severe depression or psychological issues which lead the provider to fear for the student's wellbeing; has engaged or threatens to engage in behaviour that is reasonably believed to endanger the student or others; or is at risk of committing a criminal offence.

- Students may choose to access external appeals process as per Victorian Institute of Education's Complaints and Appeals Policy and Procedure. In the case of an external appeal, Victorian Institute of Education is not required to wait for the outcome of the external appeal before notifying DHA of the change to the student's enrolment status.
- In relation to suspension, Victorian Institute of Education will continue to provide learning opportunities to students during the appeals process. However, where it is considered that a student should not attend classes during the appeals process, students will be provided with work that can be completed outside of the classroom environment.
- Victorian Institute of Education provides information about its Deferral, Suspension and Cancellation Policy and Procedure on the above in the International Student Handbook and at orientation. Students may access all relevant forms for deferral or suspension through Victorian Institute of Education web site or by direct request.
- Standards of behaviour required are outlined in this International Student Handbook.
- Appropriate records of the assessment of the student's application for deferment, suspension or cancellation will be kept on the student's file. Where a student is suspended or their enrolment cancelled due to misbehaviour, documentary evidence of this decision will also be kept.

CHANGE IN VISA STATUS

Deferment, suspension, or cancellation may affect the student's visa. When a student's enrolment is deferred, suspended, or cancelled, Victorian Institute of Education will notify the Department of Education and Training via the Provider Registration and International Student Management System (PRISMS) of the change in enrolment status.

Students are to refer to the DHA website at <https://www.homeaffairs.gov.au/trav/stud> or telephone 131 881 (Immigration Helpline) for information and their local DHA office for advice on how the potential change to enrolment status may impact his or her visa.

Regardless of whether the suspension of enrolment is the result of a student request or a suspension imposed by Victorian Institute of Education, the period of suspension of enrolment (as entered in PRISMS) will not be included in attendance monitoring calculations.

Where a suspension of enrolment is granted, Victorian Institute of Education will suspend an enrolment for an agreed period - to a maximum of 12 months. If the suspension is required longer than 12 months, the student shall have to re-apply once the initial suspension period has expired.

If a student's enrolment is suspended for a period of 28 days or longer, the student must return home (unless special circumstances exist). Students will be referred to DHA via the DHA helpline on 131 881 regarding whether they may remain in Australia during a period of suspension of enrolment.

Victorian Institute of Education will always use its professional judgement to assess each student's case on its individual merits when determining whether compassionate or compelling circumstances exist.

In cases where a student's enrolment is cancelled, the student must leave Australia, obtain enrolment in an alternative course, or apply for a different visa within 28 days of cessation. If the student leaves Australia, the student's visa will be cancelled. A student who has left Australia and wishes to return to his or her studies must apply for a new student visa.

Victorian Institute of Education will not tolerate any behaviour that harms, intimidates, threatens, victimises, offends, degrades, or humiliates another person.

Anti-discrimination law defines harassment as any form of behaviour that you do not want, that offends, humiliates, or intimidates you and that creates a hostile environment. Examples of harassment are making fun of someone, spreading rumours, offensive jokes and ignoring someone.

Victimisation is where a person is treated unfairly because they have made a discrimination complaint.

Bullying is verbal, physical, social, or psychological abuse by a staff member or student. Bullying falls under the health and safety legislation.

If you at any time feel that you are being harassed, victimised, or bullied by a staff member or student, you should ideally tell the person that you don't like the behaviour and ask them to stop. However, if you are not comfortable doing this, you should lodge a complaint as per Victorian Institute of Education Complaints and Appeals procedure as detailed in this Handbook.

All students are provided with opportunities to develop and successfully gain skills, knowledge and experience through education and training.

National VET Regulator Act 2011

As a student in Australia's vocational education and training (VET) sector, you should expect high-quality training in your area of interest, leading to a qualification that improves your prospects of gaining the job you want or provides a pathway to further study.

As a Registered Training Organisation registered with the Australian Skills Quality Authority, we are required to comply with the National VET Regulator Act 2011. This involves meeting a series of standards that ensure that the training, assessment, and support services are provided to you in accordance with nationally mandated standards.

Student Identifiers Act 2014

Under this Act, we are required to ensure that all students have a USI. We are unable to issue a qualification or a statement of attainment for students whom we do not have a USI on file.

If you're studying a nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI). Your USI links to an online account that contains all your training records and results (transcripts) that you have completed from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

For students and training organisations, the main benefits of the USI are:

- Students will be able to get a complete record of their Australian-wide VET achievements from a single, secure, and accurate online source.
- There will be immediate access to VET records. This means they can be quickly given to employers, other training organisations and bodies who require it as proof of VET achievements.
- It will be easier for training organisations to assess students' pre-requisites, credit transfers and Recognition of Prior Learning (RPL).

For more information about the USI, refer to <http://www.usi.gov.au/About/Pages/default.aspx>.

- Victorian Institute of Education protects the fees that are paid in advance by both domestic and international students.
- For international student fee protection is ensured as follows:

- Victorian Institute of Education does not require international students to pay more than 50% of course fees prior to course commencement. However, Victorian Institute of Education provides students with the opportunity to pay more than 50% of their tuition fees prior to course commencement if they wish. Where a student chooses not to pay more than 50% upfront, the remaining amount will be collected according to an agreed payment schedule. Note, however, that where a course is less than 25 weeks, Victorian Institute of Education will require students to pay the full cost of the course prior to course commencement.
- Victorian Institute of Education pays into the Tuition Protection Service (TPS) provided by the Australian Government. In the event Victorian Institute of Education is unable to deliver a course a student has paid for and does not meet the obligation to either offer a student an alternative course or provide the student with a refund of the unspent prepaid tuition fees, the TPS will assist students in finding an alternative course or to get a refund if a suitable alternative is not found.

- Receipts of payments made by international students will be kept for at least 2 years after the person ceases to be an accepted student.

5. Refunds for International Students

• All course fees for international students include a non-refundable enrolment fee which is detailed on the Course Outline and Student Agreement. The deposit is non-refundable, except in the circumstances detailed below:

A. Full Refunds

A full refund of any course fees paid will be provided to students in any of the following circumstances:

- If Victorian Institute of Education is required to cancel a course before it commences due to insufficient numbers of students or for other unforeseen circumstances that results in cancellation of class for the particular intake date.
- Where a course does not start on the starting date outlined in the Letter of Offer
- If a student cannot commence the course because of illness, disability or where there is death of a close family member of the student (parent, sibling, spouse or child)
- At the discretion of Victorian Institute of Education's CEO or approved representative, when other special or extenuating circumstances have prevented the student from commencing their studies, including political, civil or natural events

- If an offer of a place is withdrawn by Victorian Institute of Education and this is not due to incorrect or incomplete information provided by the student

Claiming a Full Refund

- In any of the above situations, Victorian Institute of Education will automatically conduct a refund assessment of all affected students and issue the refunds due accordingly. In these cases, there is no need for a student to make an individual application for a refund. Refunds will be issued within 28 business days.

B. Partial Refunds

Provider Default

- Partial refunds will be paid in the event of provider default. The refund will be calculated from the day of the default as per Section 7 of the Education Services for Overseas Students (Calculation of Refund) Specification 2014.
- Partial refunds will also be provided in the same manner as for provider default (as above) where Victorian Institute of Education fails to enter into a written agreement with a student or the Student Agreement is not compliant with the requirements of the ESOS Act or the National Code.

Student Default

- If an international student is refused a visa (student default) before commencing their course, Victorian Institute of Education will refund the total amount of all course fees (tuition and any non-tuition fees) received for the course less. The refund will be whichever is the lower amount between 5% of the total amount of the fees (tuition and non-tuition) or the sum of \$500.
- If an international student is refused a visa (student default) but has already commenced their course, non-tuition fees will not be refunded. However, tuition fees will be refunded from the day of the student default as per Section 7 of the Education Services for Overseas Students (Calculation of Refund) Specification 2014.
- If a student has supplied incorrect or incomplete information and as a result Victorian Institute of Education withdraws the offer prior to commencement of the course, the student will be eligible to receive a refund of all course fees paid less a 20% administration fee of total amount paid (tuition fees)
- Where a student has not met the conditions included in the letter of offer and withdraws 0 – 28 days before course commencement, the deposit paid will be refunded less a 20% administration fee of total amount paid (tuition fees).
- Where a student withdraws from a course 0 – 28 days before the course commencement for reasons other than those set out in circumstances for full refunds, 50% of the deposit paid will be refunded.
- If a student withdraws or defers their course after the course has started and they have paid for units/clusters/modules that have not been commenced. This will be calculated on a per unit or cluster cost with the following formula:
 - Course fee less administration fees of 20%, less textbook fees divided by the total number of units or clusters or modules in the course multiplied by unit not commenced but paid for

For Example: Fee paid AUD 1500+50 for 3 units in the installment and commenced 1 unit where material fee is AUD 50. $\text{Refund} = (1550 \text{ less } (1500 * 20\% - 50)) / 3 = ((\$1550 \text{ less } \$350) / 3) * 2 = \text{AU } \$ 800$

Claiming a Partial Refund

Students who withdraw from a course may seek a refund or a reduction in fees owing by making an application for a refund in writing using the Application for Refund Form. The application must include the details and reason for the request. Students who have not completed a Withdrawal Form are not eligible for consideration of a refund or reduction in fees.

- The refund assessment will be based on reviewing the services provided to the student and the costs incurred by Victorian Institute of Education to provide those services.
- The outcome of the refund assessment will be provided in writing to the student's registered address within 28 business days, outlining the decision and reasons for the decision along with any applicable refund or adjustment note. Refund decisions can be appealed following our Complaints and Appeals Policy and Procedure.
- A student who does not achieve the qualification or unit/s in which they enrolled due to exhausting their attempts at assessment are not entitled to a refund.

B. Circumstances in Which a Refund Will Not Be Paid
